Opening 1 August: Relive More Good Times Together at Tamassa Bel Ombre

Mauritius – Family holidays abroad are not the only way to spend quality time with loved ones when there are plenty of adventures to be had close to home. From 1 August, Tamassa Bel Ombre will welcome guests with even more creative, vibrant and playful **Together You'll Love** experiences that are designed for families, friends and couples looking to reconnect.

“Everything at Tamassa endeavours to bring people together - from thoughtful, unexpected in-room treats for sharing; to children discovering the joy of friendships with back-to-basics play time without the distraction of digital devices,” said Stephan Anseline, General Manager of Tamassa Bel Ombre.

Immerse in the neighbourhood spirit around the dining table where good food and drinks, and even better conversation take centre stage. With three dining establishments and three upbeat bars to choose from,

banter will be kept flowing late into the night with live music and a specialty cocktail in hand.

Those looking to recharge after this extended stay-at-home period will have plenty of options at **santosha** spa. Wellness at Tamassa is not just limited to restorative spa treatments; let go of sorrows or regrets in a healing ritual; engage in a spot of laughter therapy to get those endorphins flowing; or release stress with an aerial yoga session that will also improve flexibility, strength and stamina.

Collective Care: The Lux Collective's Enhanced Global Hygiene and Sanitisation Measures

With the implementation of The Lux Collective's enhanced global hygiene and sanitisation procedures known as Collective Care, Tamassa Bel Ombre provides a safe environment that aligns with expert protocols in consultation with [SGS](#), the world's leading inspection, verification, testing and certification company, in addition to strict adherence to local regulatory bodies' guidelines.

Collective Care outlines clear and methodical standards of hygiene and sanitisation processes across all departments so that our guests can continue enjoying their holiday in a comforting environment; and our team members can feel assured and safe in their place of work.
